

ALL CLUBS

The ASDC will be having the parking lot redone (weather permitting). The ASDC **will** operate and be **open** as normal but the parking lot will be **closed**.

No one will be allowed to drive onto the lot **October 24-28**.

Street Parking only.

Everyone will need to use the west entrance to **Enter and Exit** the building.

No Exit thru the front, east side, or back doors.

Please wipe your feet on extra provided **carpet** to help keep inside carpet and wood floor clean.

Please be careful when walking across the rocks and gravel on the west side to the entrance door.

Thank you for your patience during these few days.
